Upgrade Avid Mojo to Media Composer Mojo DX or NewsCutter Mojo DX and Save 33%

Got an Avid® Mojo® or Mojo SDI interface? Gain higher performance and real-time editing with the newer Avid Mojo DX interface. For a limited time, trade in your old interface towards a Media Composer® Mojo DX or NewsCutter® Mojo DX system and save 33% off regular upgrade pricing.

Capture SD and HD digital material, experience highly responsive real-time editing, and enjoy SD and HD monitoring using Mojo DX and the new Media Composer 4 or NewsCutter 8 software, the world's most advanced film and video editing systems. Whether you're working with HDV, XDCAM HD, DVCPRO HD, AVC-Intra, Avid DNxHD, or a combination of multiple formats, frame rates, and resolutions, both of these systems offer more affordability without sacrificing quality or performance.

Offer expires December 18, 2009.
